"The PACEMAKER"

2010

Gaston County Amateur Radio Society

MEETING

Our next regular meeting will be Monday, **March 1, 2010 at 7:00 PM** at the Red Cross building. Remember, if you need the elevator be sure to call on the repeater to let someone know ahead of time.

FOX HUNT NEWS

The February "Fox Hunt" for GCARS, GAARC and SARC will be held in Cleveland County on **February 20, 2010**. We start this one with breakfast at "Mountain View Restaurant" in Kings Mountain located right on US74 Business just before you get to the RR overpass. Eat at 8:30 and the fox will start at 10:00 AM. This one is to be slightly different. We will be looking for a "Go-Box" rather than a 'sticks out like a soar thumb' vehicle. The hider will be nearby in a non-ham car/truck as the "game warden" watching over the fox.

VE EXAMS

www.teamgcarsve.gastonhams.org

There will be exam session on **March 20, 2010 at 9:30 AM** at the library in Gastonia. All VE's are asked to be there at 9:00 AM to help set up. Those taking exams should be there by 9:30 AM. Also if you have any pending FCC actions, be sure to bring any needed CSCE's along with a copy for our records. You will also need the original and a copy of your current HAM license and a photo ID.

The test session will be followed by an afternoon "Fox Hunt" here in Gaston County, so we have a

complete day of fun and fellowship planned for the three clubs and two ARES groups.

In Memory

Today's newspaper announced the loss of Richard Wells, KI4KFR at the age of 88 years old. He lived in Gastonia and 8 years ago on his 80th birthday he attended one of our VE sessions and earned his Tech License.

ARES Section

Our next ARES meeting will be the last Thursday of **February at 7:00 PM**. It will be held at the County EOC. Your help is needed to make this service work, and remember, our hobby is allowed ONLY to serve as a service to the community, not just to have a place to talk to each other, even though it is fun!

Basic Skywarn & Winter Weather Class

Ares will be holding a Basic Skywarn and Winter Weather combined class on **February 27, 2010** at the EOC. It will be taught by the US Weather Service located at Greenville, SC.

Start time will be 10:30 AM at the Gaston County EOC unless notified otherwise. If that happens, it will be either the County or Gastonia PD. Listen to the local nets for any update.
