E XAMS

Next exams will be March 19, 2011 at the Library on Garrison Avenue. This will be a ARRL VEC session, so if you need to attend an ARRL session for your certification as an ARRL VE, come get your name on the list.

All VE's are requested to be there at 9:00 AM and those taking exams should be there by 9:30 AM. Be sure to bring a picture ID, your original and a copy of your current license, \$15.00 and all the correct answers in your memory banks. We will give your license back, the FCC just requires us to examine it. We will keep the copy for our records.

F OX HUNT

The next "Fox Hunt" is scheduled for Saturday, Feb. 12. This one will be conducted in Cleveland County with the ladies of SARC "TRYING" to hide from the hunters! They have BIG dreams. If anyone wants to ride along who has never fox hunted before, you can ride with one of the 'ole pros' if you would like.

We will start the morning at 8:30 AM with breakfast at the Mountain View Restaurant located on Biz. 74 just before the RR overpass as you head West through Kings Mountain. They have some great food, so

come eat with us even though you may not take part in the hunt.

ARRL

Our secretary is almost finished getting us ARRL affiliated as our constitution requires. The League is working on the paper work now.

rogram

Tonight's program will be a continuation of last month, but leaning more on the antenna application of it by AJ4JZ, Bill Stevenson.

Gaston County ARES

Don't forget our next ARES meeting. They are held the last Thursday of each month.

We now have 15 members who are NIMS certified on the state database. These 15 may be sent to ANY disaster per FEMA regulations.
