

**GCARS TRADER'S NET
PREAMBLE**

This is (your call sign) now opening the Gaston County Amateur Radio Society Trader's Net. This net is open to all licensed amateur operators who wish to buy, sell, want, or trade amateur radio related equipment as permitted by the FCC under Part 97 Section 97.113 of the Code of Regulations. This net is not open to any dealers or anyone who makes a substantial living by the buying or selling of new or used ham radio equipment. If you do not wish to list items to buy, sell, want, or trade but would like to check in to let net control you are listening, please feel free to do so.

Are there any stations wishing to list items to sell, want, or trade? Please call (your call).

(List each stations items then ask if there are any inquiries for such items.

Be sure to get a telephone number, e-mail address, or other means of contact

from the stations listing items).

Are there any additional stations to list items for the Gaston County Amateur Radio Society Traders Net? Please call (your call).

(If no other check-ins, re-list all items before closing the net).

Closing:

Net control would like to thank all stations that participated in tonight's traders net.

This net meets each Tuesday night following the Pacemaker Net.

This is (your call) now returning the N4GAS repeater back to normal amateur use.
